PowerGuard Warranty Summary

Upsolar's PowerClip warranty policy protects against design defects, delaminating modules, power output falling outside the established degradation curve and coverage begins immediately.

The Program is available for purchase on all modules sold by Upsolar Group Co., Ltd. and subsidiary companies. The funding of valid claims filed by end-customers pursuant to Upsolar's module warranty is guaranteed on all modules covered by the PowerClip warranty policy.

The Program delivers non-cancellable, irrevocable coverage and is fully-paid for, meaning valid claims will be paid out regardless of the solvency of Upsolar over the full 25-year term, by A.M. Best rated "A" (Excellent) or better internationally recognized insurance providers.
